

The 2010 Election for the SBCC Board of Trustees

From: Executive Board of the SBCC Instructors' Association

It is our hope that all faculty will give this critical election the attention it deserves. The future direction of this college is at stake. For those faculty who are unfamiliar with the candidates and the issues, we urge your attendance at the following event:

A Candidates Forum

***September 30, 2010 from 4:00 pm - 6:00 pm
A211***

All candidates are participating.

Moderator: John Kay / Emeritus Professor SBCC

ENDORSEMENT: The Executive Board of the Instructors' Association endorses Peter Haslund, Marty Blum and Marsha Croninger for election to the SBCC Board of Trustees and recommends to those faculty eligible to vote their careful consideration of these candidates.

Further the Executive Board, believing that both Kay Alexander and Lisa Macker are well qualified to lead SBCC in a positive direction, support the candidacy of both and urge the faculty's thoughtful consideration.

We trust that all faculty will make an informed and personally meaningful choice in this election.
